S.1 Literature survey on Distributed Neural Networks

Planning/Conduction

Planning

- S.1.1 Problem definition — Using PICOC criterion
- S.1.2 Research questions
- S.1.3 Search strategy — Review protocol

Problem, aims and scope

Improved research questions

Databases, terms, inclusion/exclusion criterions

Study Selection Framework

- S.1.4 Database search
- S.1.5 Semi-automatic selection using AI — SWIFT-Review, Gemini
- S.1.6 Selection by title, abstract and keywords
- S.1.7 Selection by inspecting the full article
- S.1.8 Snowballing
- S.1.9 Quality assessment
